

ADVANCED SKIN ANALYSIS AVAILABLE!

New Diagnostic Equipment available at Kaye Poyners! An electrical skin scanner that enables the therapist to give a detailed analysis is now available. The client is also able to observe the diagnosis through a mirror.

New Treatment Rooms! Three new waxing rooms are in the process, ensuring more privacy for your treatments.

Extended Hours in Summer! Kaye and her team will be available for extended hours during summer trading. Wednesday and Thursday nights will be available until seven, starting from October.

New Staff

Member!

Claire Morgan will be on Maternity leave from the 10th of September.

Joining the team is Tess Delahunty, a local Stawell girl with a Diploma in Beauty Therapy.

Men's Night!

Kaye is going to host a men-only night for those interested. Please put your name down at the desk as spots are limited. Night includes a taste of our treatments and drinks and nibbles provided.
